

Quality...

...at an affordable price!

Each **Cove Spa** throughout the range of **5 models** is manufactured with the same craftsmanship and quality. Hand-crafted from the finest materials available often seen on more expensive Spas, **Cove Spas** represent superb value offering simple, uncomplicated relaxation.

Don't Delay...choose one today and enjoy the experience only **Cove** can bring by creating generations of fun for the whole family and friends.

A great place to start your Spa Lifestyle. The Cove Impulse series offers true **Training Room Whirlpool Therapy** to a first time Hot Tub buyer or those second time buyers looking to simplify. With two sizes available you can opt for a 250 gallon, 31" deep Impulse, which can fit through a standard doorway or a 300 gal 35" deep Impulse DP. All Nordic **TR (Training Room Whirlpool Therapy)** spas include the unique **Dual Therapy System** turbo. The Impulse (C110) can seat **4 adults** comfortably, while the Cove Impulse DP (C220 LED) seats **5 adults** comfortably. (Height 31" or 35", diameter 78½")
